

Bingo Drawing Chips and Tracker

This is a sample Bingo Drawing Chips document that use our "Buzzword Bingo" word list.

- * Print two copies of the generated PDF document.
- * Cut one copy into pieces for drawing from a hat or other container.
- * Use the second copy to help keep track of the drawn numbers.

Note: If your custom design uses the "A word can appear in any column." you will only get the phrase, e.g. "antelope", you will *not* get a the column prefix, e.g. "B".
